THE WAY TO PLAY.™

Adventure
World
Playsets™

OUR VISION

To be the premier playset crafter today and tomorrow – creating safe, timeless, and joyful spaces for families to play and grow.

OUR MISSION

To act with integrity in all we do to create the safest play and best entertainment experiences that grown-ups trust and children love.

OUR PURPOSE

To inspire outdoor adventures and unforgettable childhood moments.

**OUR SWING SETS ARE PROUDLY MADE
AND MANUFACTURED IN THE USA.**

OUR GUARANTEE/WARRANTY

As parents ourselves, we wanted a warranty that is simple, easy to understand, and protects the purchaser. We felt our warranty should reflect our confidence in the high-quality swing set that we offer. That is why we came up with our industry leading warranty.

Warranty protection from date of original purchase

Residential warranty only.

1 YEAR

No questions asked! If anything on your swing set breaks or fades, we'll fix it within 200 miles of our warehouses. Beyond that, we'll ship the replacement part to your nearest dealer or straight to your home. Excludes intentional damage, normal wear, and acts of God.

5 YEAR

Your swings, slides and accessories are guaranteed against manufacturing defects. We will send the part to the closest dealer in your area. If you don't live close to a dealer, pay for the shipping, and the part will arrive at your house.

20 YEAR

Your swing set frame comes with a solid guarantee against manufacturer defects, providing you with peace of mind. We will send the part to your closest dealer. If you don't live close to a dealer, pay for the shipping, and the part will arrive at your house.

THE SAFE WAY TO PLAY

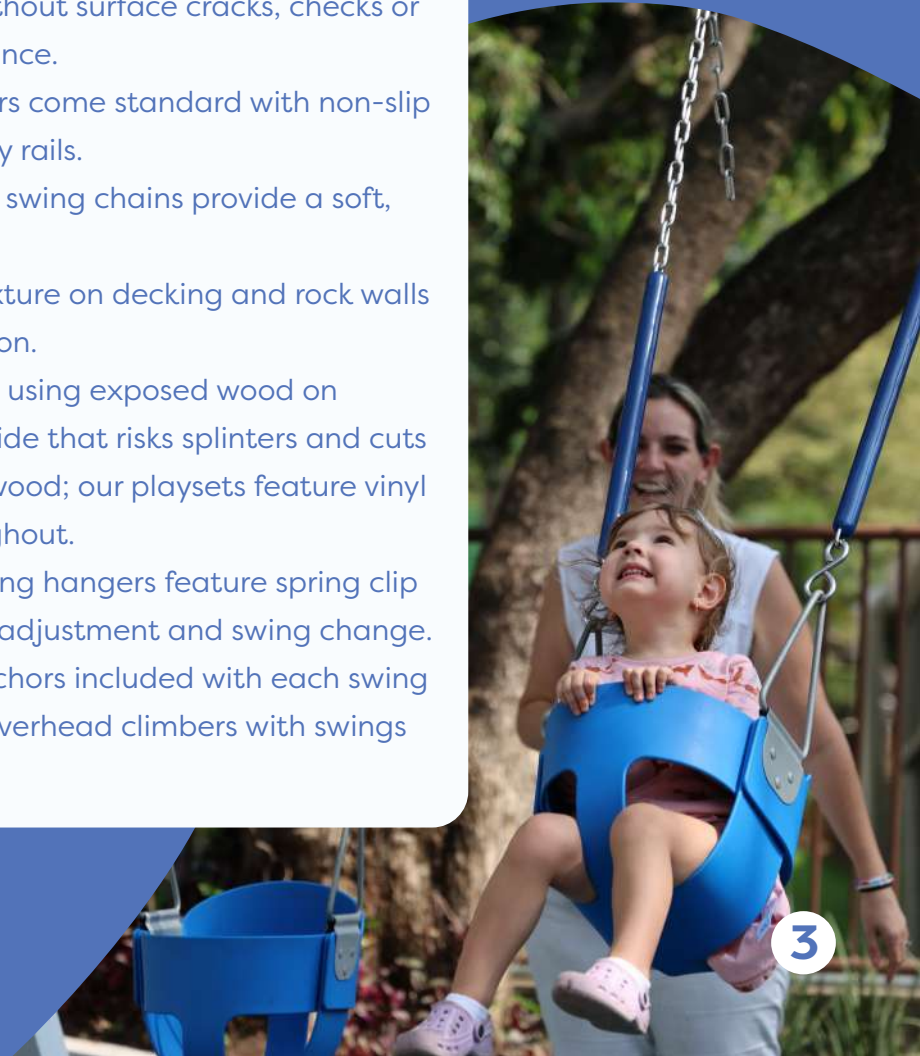

Adventure World Playsets are made in the USA and constructed following the highest standards. The following quality and safety features are standard at no extra cost on all of our playsets.

QUALITY

- Use of pressure-treated lumber covered with vinyl combines the strength of wood with the easy care of vinyl.
- Vinyl covering also resists wood boring insects and bees.
- Use of heavy-duty walled vinyl adds strength, is fade resistant and is easy to clean; occasional rinsing is all you need to keep your playset looking great.
- Powder-coated brackets resist peeling and rusting, and stainless steel bolts and chains will not rust.
- Heavy-duty corner construction is through-bolted with two steel angles; we do not use wood lags, which connect by being driven only halfway into the beams.
- Long-lasting poly-lumber roofs instead of canvas resist high winds.
- Durable structural parts and sturdy construction create stable playsets that won't tip in high winds or while children swing.

SAFETY

- Vinyl creates a safe, smooth surface that is splinter-free without surface cracks, checks or knotty appearance.
- Entrance ladders come standard with non-slip steps and safety rails.
- Rubber-coated swing chains provide a soft, pinch-free grip.
- Wood-grain texture on decking and rock walls increases traction.
- No shortcuts by using exposed wood on decking underside that risks splinters and cuts from cracks in wood; our playsets feature vinyl covering throughout.
- Heavy-duty swing hangers feature spring clip for easy height adjustment and swing change.
- Two ground anchors included with each swing beam and no overhead climbers with swings attached.

AMISH-MADE **PLAYSETS** AROUND THE COUNTRY

From the heart of Lancaster, PA – lovingly known as Amish Country – Adventure World Playsets creates custom playsets designed to bring families together. Most of our trusted suppliers are also based right here in Lancaster County, which means every detail, from the construction to the smallest part, carries the care and craftsmanship of our community.

While many of our Amish-made playsets brighten back yards across Lancaster, their reach extends far beyond our hometown. Thanks to our strong distributor network, Adventure World Playsets are enjoyed by families all across the country. That's why we decided every one of our playsets would be proudly Amish-made so families everywhere can experience the same tradition of quality, safety, and care that starts here in Lancaster.

BUILD YOUR ADVENTURE

OUR PACKAGES

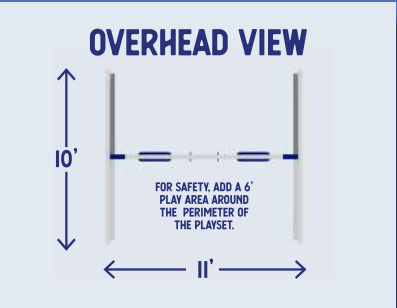

On the following pages, you'll find photos and dimensions of each tower included in our pre-designed packages. These packages showcase the available tower sizes – single, double, and triple – with single or multi-level decks in a variety of dimensions.

CUSTOMIZE YOUR PLAYSET

Packages are available as they are, or you can use them as inspiration to create a fully customized playset. Start customizing by following Step 1: “Choose Your Tower Unit” on page 36, where you'll find detailed information on all tower options and their available deck dimensions.

ADVENTURE GYM

You can change the direction of your tower and add or remove as many towers as you like. Our towers are designed to bring your dreams to life!

You can see the model of the tower!

The tower sets the stage for your Adventure World Playset and creates...

A destination where children's imaginations can run wild!

STEP 2: CHOOSE YOUR COLORS

Choose your structural beam color, then choose your accent color. Accent and accessory colors — including rock wall grips — can be mixed upon request at no additional charge.

**Premium colors require an additional charge.

Available colors!

STRUCTURAL BEAM COLORS

STANDARD ALMOND VINYL

STANDARD WHITE VINYL

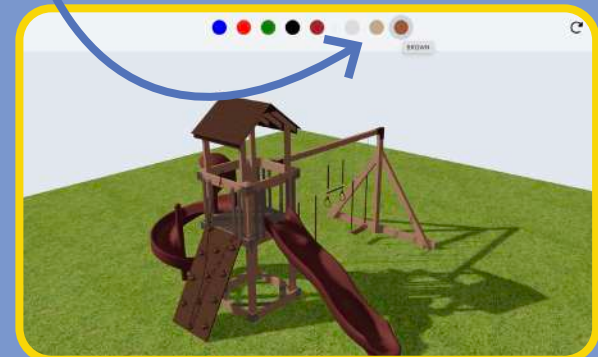

PREMIUM BROWN VINYL*

WOOD-GRAIN BROWN

This premium color combines the natural look of wood with the easy care of vinyl. Here's what makes it special:

- Matching brown roof, rails, and brackets are standard.
- The same durable, fade-resistant, splinter-free, and maintenance-free surface as our standard vinyl.
- A wood-like appearance that blends beautifully into natural surroundings, hides dirt, and never requires staining.

Choose the structural beam color in the **3D Design center**.

ROOF, RAILING & BRACKET COLORS

You can also choose accent colors that match the structural beam colors in the **3D Design Center**.

When choosing your colors, keep in mind that **most swings are available** in red, blue, gray or green.

**BLUE BRACKETS
& ACCENT COLOR**

**BROWN BRACKETS
& ACCENT COLOR**

**GREEN BRACKETS
& ACCENT COLOR**

**BLACK BRACKETS
& ACCENT COLOR**

**RED BRACKETS
& ACCENT COLOR**

Standard accent colors for roof, rails and brackets:
Red, green, blue, black, and brown.

Standard swing, slides and accessories colors:
Most swings are available in red, blue, green or gray; see pages 46 & 47 for details.

STEP 3: CHOOSE YOUR ROOF

Made from recycled HDPE plastics (like milk bottles), our roofs resist high winds, won't fade, and require little maintenance. While vinyl works great for many structural playset parts, poly-lumber provides extra strength and stability, making it the perfect choice for roofs.

Poly-lumber roofs, built to last.

VINYL PEAK

DOUBLE ROOF

EXTENSION ROOF

Available colors!

In our **3D Design Center**, you can choose the **roof type** that suits your design.

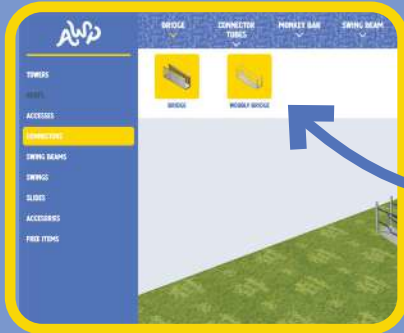

You can **move** the object by dragging it, or **spin it** by rotating.

If a roof isn't compatible with your chosen tower, **it won't be available to select.**

STEP 4: CHOOSE YOUR CONNECTORS

If your playset has two or more towers, or you're combining two packages, you'll need a connector.

Choose the **connector** that suits your design best.

Our crawl tube or bridge options are sure to entertain!

CRAWL TUBE WITH TWO ELBOWS

6' long.

CRAWL TUBE

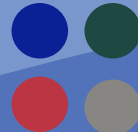

6' long.

CONNECTOR TUBE FOR TWO LEVELS

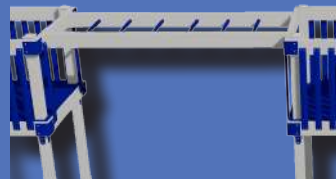

4 1/2' long.

Available colors

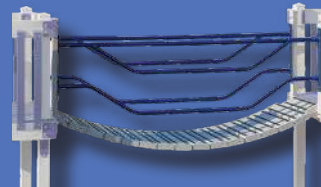

MONKEY BAR

10' long.

WOBBLY BRIDGE

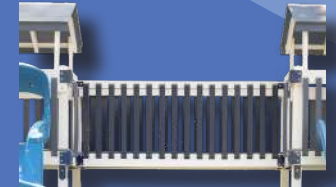

8' long.

SWING BEAM

Also serves as a connector if opting for two or more towers.

BRIDGE

8' long.

Available accent colors

Available structural colors

Add as many **towers** as you want using **connectors**!

STEP 5: CHOOSE YOUR ACCESSES

Tower accesses are available in green, red, blue, black, or brown.

Children build balance and strength as they climb the accesses to their towers!

Available colors!

GRAND GANGPLANK

Both **Gangplanks** offer the same fun ramp design.

The difference? The **Gangplank** includes a balance rope, while the **Grand Gangplank** features a safety railing for extra support.

SMALL ROCK WALL

The **Small Rock Wall** is more compact and not available for 7' deck heights, while the **Rock Wall** is designed for both 5' and 7' deck heights.

ROCK WALL

GANGPLANK

Explore our different **accesses options and choose your favorite one!**

ENTRANCE LADDER

The **Entrance Ladder** has non-slip steps and safety rails for secure play. The **Grand Entrance Ladder** features wider steps and safety rails for comfort.

GRAND ENTRANCE LADDER

Kids **love climbing both!**

SMALL CHAIN LADDER

It's available for towers with a **5' deck height** and at least **4' width**.

The **Small Chain Ladder** offers the same sturdy design in a more compact size, not available for **7' deck heights**.

CHAIN LADDER

The **Chain Ladder** helps children build coordination, balance, and strength. It encourages confidence and sensory development while giving them the thrill of adventure with every step.

TREE CLIMBER

Climb your way up on our **3' x 5'** tree climber and...

Let the **fun begin!**

Only available in red*

GRAND STAIRCASE

This access features five platform steps with railings and a landing, offering a **safe and easy** way for children to reach the playset. Each rise measures approximately 8.5", providing a gentle and comfortable climb.

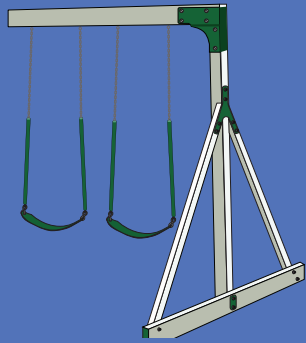

Choose the entrance layout that works best for you.

Our access features spark **imagination** and open the door to **endless adventures!**

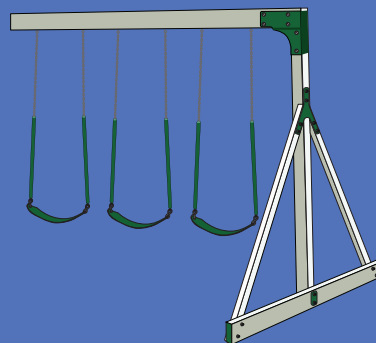

STEP 6: CHOOSE YOUR SWING BEAM

Consider your swing beam as a blank canvas, waiting to come to life with a variety of swings.

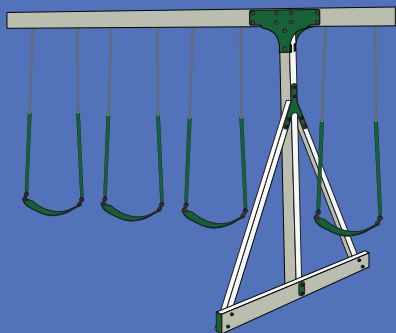

Available in 8' and 10' heights fitting 2, 3 or 4 positions.

2 POSITION
SINGLE BEAM

3 POSITION
SINGLE BEAM

4 POSITION
SINGLE BEAM

FREESTANDING

Explore our different **swing beam** options and choose the one that lets you have all the **swings** you want!

SPACE SAVER MONKEY BAR OVERHEAD CLIMBER

10' long, includes vertical ladders on both ends and bracket to provide support at the center of the climber. Can be attached to any vertical 4x4 post.

MONKEY BAR OVERHEAD CLIMBER

A great option for connecting to a tower! Standard Overhead Climber Height is 8'.

New feature!
You can add a **Monkey Bar** as a swing beam!

You can add an **Exit Ladder** to your Monkey Bar.

LOWER LEVEL SAFETY RAILING

Add lower level railing on the swing side of the tower for extra safety.

TRAPEZE RING CLIMBER

Includes two 1-position accessory arms; chain height is adjustable.

LONGER POST TO ATTACH HIGH BEAM

With this adapter you can make the height of the swing beam taller with a smaller tower.

ACCESSORY ARMS

Attach to any tower or playhouse to add swings or accessories.

STEP 7: CHOOSE YOUR SWINGS

Available colors!

BELT SWING

SIGN LANGUAGE PANEL

CHECKER BOARD

HAND GRIP

SHUTTERS & FLOWER BOX

LOWER DECK

The lower deck is a great way to turn the base of your playset into an extra play area. You can add accessories like a picnic table, tic-tac-toe, a checkers board, a free item, and more. The photo shown features the lower deck with railing.

OVERHEAD WATER SPRINKLERS

Our overhead water sprinklers add refreshing fun during hot weather. They spray a gentle, even mist from above the swing beam, keeping kids cool while they play. Easy to use, safe, and perfect for summer days.

CHOOSE YOUR FREE ITEM

Choose one of these free items with your playset order.

Available colors!

Remember: Choose your colors if you haven't done so already; and don't forget rubber mulch (pg. 56) for safety.

PICNIC TABLE

BALCONY

An open deck extension that adds a wider play area, featuring sturdy railings and a spacious platform for enhanced outdoor fun.

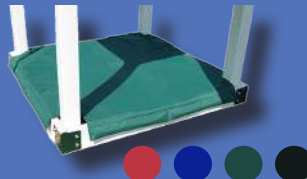

HIDDEN HUT

SANDBOX

SANDBOX COVER

The sandbox cover keeps the sandbox clean and prevents dirt and animals from getting inside.

TELESCOPE

BINOCULARS

SHIP'S WHEEL

STEERING WHEEL

MEGAPHONE

STEP 10: CHOOSE YOUR SURFACES

Not all playground surfaces are safe. Grass, dirt, sand, asphalt, and concrete don't provide proper impact absorption. Adventure World Playsets recommends rubber mulch, mats, and curbing, which meet ASTM safety standards, absorb shock effectively, and ensure safe, long-lasting play for children.

Note: Rubber mulch, mats and curbing are not included in playset packages.

RUBBER MULCH

- Made from 100% recycled tire rubber.
- Non-toxic and meets federal flammability standards.
- Retains cushiony softness year round, and will not freeze.
- Stays in place even in windy conditions.
- Drains and dries quickly after it rains.
- Odor-free, non-staining and non-abrasive.
- Reduces dust and mud.
- Will not rot, will not attract insects.

GREEN RUBBER MATS

- Help minimize erosion under swings, or at the bottom of slide exits.
- They provide extra protection for shock absorption.
- Size: 23" wide x 38" long x 1½" thick with beveled edges.

Available in green only*

SURFACE TYPE	IMPACT ABSORPTION	ASTM COMPLIANT	ECO FRIENDLY
Rubber Mulch	Excellent	✓	✓
Rubber Tiles	Moderate	✓	✓
Wood Mulch	Moderate	✓	✓
Fine Sand	Very Poor	✗	✓
Grass/Dirt/Carpet	Very Poor	✗	✓
Concrete/Asphalt	Dangerous	✗	✗

BORDERS

STANDARD CURBING

- 4"x4" vinyl sleeve borders.
- Accommodates only square corners; does not allow rounded corners or curves.
- Helps keep rubber mulch contained in play area.
- Mulch and border availability may vary depending upon what your representative has to offer. Ask your representative for details.
- Optional heavy-duty fabric base under the mulch prevents weeds and still allows drainage. Please kill weeds and grass prior to putting down fabric base.

To add mulch to your order, please contact your dealer directly to receive a quote from them.

Change your **Mulch's** color in the Work Area Menu.

Choose your **Mulch area** dimensions and your color.

STONE CURBING

- Faux stone looks natural like stone.
- Easy installation process.
- Hammer spikes to secure.
- Strong, durable and holds its integrity through the wear and tear of daily life (Rust, fade, and corrosion-resistant).

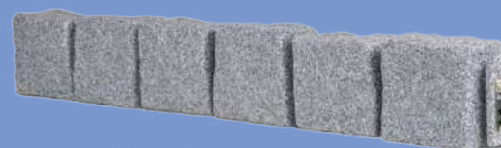

COBBLESTONE

GREYSTONE

SANDSTONE

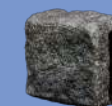

Each section has 6 connected blocks making it 4 feet long, 4 inches wide, and 6.5 inches tall.

STOP BLOCKS

CORNER BLOCKS

CORNER BLOCKS

Why vinyl?

Vinyl offers superior durability and safety as well as easy upkeep. Vinyl is fade resistant, splinter free, doesn't require staining or painting and resists wood boring insects and bees.

Can I customize my playset?

Yes! Packages featured in this catalog show our most popular requests, and help you to visualize tower options. You can order a featured package as is, or use packages to get ideas for your custom playset.

Is there a risk of the playset tipping over?

Our playsets are heavyweight and will not tip over in normal wind or use. Ground anchors also help secure swing beams firmly in place.

Are Adventure World Playsets guaranteed?

Our playsets come with a Limited 20-Year Warranty covering defects in workmanship and materials. Slides, swings, and accessories are covered by a Limited 5-Year Warranty, and we also offer a 1-Year 'no-questions-asked' Warranty. For more details, refer to page 2.

What's under the vinyl?

Our premium playsets use pressure-treated lumber covered by heavy-duty walled vinyl. This combines the strength of wood with the easy care and safe, smooth surface of vinyl.

Can swings be switched or can we add to the set later?

As your children grow, baby swings can be switched for belt swings or other bigger-kid accessories. At a later date, you can also add swing beams or other features to build out your playset to accommodate changing needs and budget planning.

What type of surface is best for under our playset?

A shock-absorbing, protective surface, such as rubber mulch, is best for reducing the likelihood of injury from falls. Grass, dirt, carpet or thin mats lack the ability to absorb shock; concrete, asphalt and other hard surfaces are even more dangerous.

What makes the playsets heavy-duty construction?

In addition to pressure-treated lumber under the vinyl covering, through-bolts and steel angles create heavy-duty corner and all-around construction. Metal powder-coated brackets and stainless steel bolts, screws and chains all resist peeling and rusting.

What do I need to do to prepare for installation?

The customer must provide direct unobstructed access to the installation site. This means any facing, shrubs, or obstructions must be removed. The customer must also be present to ensure the playset is installed in the correct location.

Does my yard need to be level?

Yes, your yard should be fairly level to safely accommodate a playset. You also will need to locate your playset six feet away from any structure or obstacle.

FREQUENTLY ASKED QUESTIONS

CUSTOM SETS **DESIGNED** BY OUR CUSTOMERS

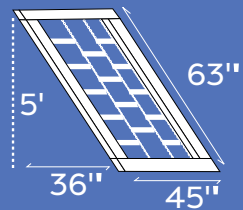

Despite life's everyday challenges, **Adventure World Playsets** bring laughter and smiles that make the simple moments feel extraordinary. Here's a glimpse into some of our customers' backyards and their custom playset creations.
